## ST BENET'S NEWS

ISSUE 7, Gaudy Issue 2015

Dear Alumni and Friends of St Benet's Hall,

The Gaudy earlier this month was a wonderful occasion for many alumni to reconnect with each other and the Hall. It was a particular pleasure to welcome the Chancellor of the University of Oxford, Lord Chris Patten and his wife Lavender, as guests of honour at this festive occasion. Lord Patten spoke of his esteem for the Hall and how much he appreciates the contribution of the Hall to the University and the world at large. He showed his excitement about the 11 Norham Gardens site which the Hall is intending to purchase and expressed his hope that all Benetians will rally behind and support this transformative project. The attached photographs will give those of you who could not attend the Gaudy a sense of the occasion. For those of you who were with us they will offer you a great memento.

Betty and I send you all our warmest wishes for Christmas and the New Year!

Professor Werner G Jeanrond  
Master of St Benet's Hall
